

Foreign National Contact Information

Complete a Foreign National Contact (FNC) Information Form for:

- Any non-US citizen relative by blood or marriage, who reside in the US or overseas, including US Legal Permanent Residents (LPR) green card holder registered with the Immigration and Naturalization Service (INS).
- All personal or professional non-US citizen contacts living inside or outside the United States, that you maintain continuous contact or confide(d) personal information.
- Other non-US citizens living inside or outside the United States met during your foreign travel or foreign residence, with whom you had or maintain continuous contact or confide(d) personal information.

It is important that all information is legible, detailed, complete, and accurate. Please submit a separate form for each person (e.g., wife & husband). Reproduce the form as required.

Return this form to the Security Office for storage in your Personnel Security folder. Should your relationship(s) change over time, please see the Security Office to alter this form. This form details will be required to be disclosed on future clearance processing forms and may require entry into JPAS or be required to be sent to the Cognizant Security Organization you are contractually affiliated with your clearance.

PLEASE NOTE: Do NOT contact the foreign national to obtain requested information unless it can be obtained in a non-alerting manner and without indicating governmental interest. Complete the form to the best of your ability.

Please list the full name of the foreign contact (<i>to include any aliases</i>):	
Country of citizenship:	
Date of first contact:	
Date of last contact:
